Because of default in performance of the obligations of the Deed of Trust, Trustee will sell the property at public auction to the highest bidder for cash at the place and date specified to satisfy the debt secured by the Deed of Trust. The sale will begin at the earliest time stated above or within three hours after that time.

Grantor has failed to perform obligations set out in the deed of trust, and in accordance with provisions of that instrument, Beneficiary has declared the debt that is secured immediately due and requests that the property it conveys be sold in a Trustee's Sale.

Beneficiary also appoints Trustee to act in accordance with the Deed of Trust and to sell the Property. Beneficiary requests copies of the Notice of Trustee's Sale so that the notice of the sale can be filed and furnished to Grantor in accordance with §51.002 of the Texas Property Code.
