A Public Information Request form is requested to be **completed in full** before processing to ensure the request is completed as fully intended by the requestor.

We will make every effort to provide information as stated by the requester. At no time will the Elections Office make an assumption to what has been requested, and will fulfill the request **exactly** as it was written and processed in a PDF format, if no other format was notated.

**The Elections Office has 10 working days to respond to any PIR request.**
